

Final Travel Instructions

Your trip from the US to Tel Aviv, Ben Gurion Airport. Although you have already received some Group Travel Information, the directions below are more detailed. You will probably want to have these instructions with you when you arrive at Ben Gurion. Providing us with your personal cell number will be helpful in communicating on the day of your arrival via texting. It is a great way to keep track of time, possible lost baggage, and a sudden delay in flight that a pilgrim might be arriving on. If you have any questions, please email us <http://iqumri@iyadqumripilgrimages.com>.

Arriving in Tel-Aviv

All international flights arrive in terminal 3

Exiting the Aircraft: Once you disembark the plane and as you make your way to passport control. You may notice a few travel agents holding signs and standing either throughout the corridor hall past the gate, or near the escalators. Please do not mind those signs and continue straight to passport control. Our meeting point will be inside the arrival hall after you claim your luggage and clear customs.

Passport Control: Being part of a group makes clearing Passport Control easier. (If you are not traveling with a group, follow the same arrival procedures.) At Passport Control, please mention that you are part of a pilgrimage group (or here to join a group) to visit holy places and will be accommodated in churches throughout Jerusalem or Nazareth. With today's high security measures especially at Ben Gurion Airport, traveling as a "Group" is the magic word. Being part of a group and a pilgrimage reduces the level of alertness with security and allows the arrival procedure to flow smoothly.

Once you reach the passport control booth, your passports will be reviewed, and you will be given a small blue slip with a stamp on it. The slip contains your passport information and grants you entry to the Baggage Claim area. Please Keep this blue slip in your passport at all times! This slip also acts as an entry/exit visa and you are required to present it to customs when you exit Israel. This slip of paper is issued in lieu of a stamp on your passport.

Baggage claim: If you wish to have a cart to collect your baggage, luggage cart(s) are 10 NIS each. Beside each conveyer belt, there are machines that accept credit cards, bills, and coins that will dispense your luggage cart. If part of a group, you will want to assemble before you leave the baggage area and then exit together to the Arrival Hall.

Customs and Exiting: Exit beneath the green “Nothing to Declare” Customs sign. Your guide will meet you in the Arrival Hall and escort you to your bus for Jerusalem. (If not traveling with a group, meet your pre-arranged driver or taxi just outside).

If your baggage does not arrive, fill out a form at the counter in the Baggage Claim area and give it to Customs personnel on your way out. Ask that the lost bag be delivered to St. Georges’ Pilgrim Guest House, Shkhem Road 65, East Jerusalem. Then meet your guide in the Arrival Hall.

Transfer from Tel Aviv to St. George’s Guest House, East Jerusalem:

Group Transfer: We always encourage and strongly recommended our tourists or pilgrims to arrive together as a group, it is always more organized and creates way less confusion and minimizes error. However, we do understand that flight schedules can vary significantly especially from one coast to the other. If you plan to travel individually and intend to transfer with the group to St. George’s Guest House, please arrive roughly between 2:00 and 5:00 pm on the dates of arrival and gather in the Arrival Hall.
